

Full-Length Practice Test Calendar

It can be difficult to strike a balance between not enough and too much practice testing. Consider this calendar as a starting point.

	Fall	Spring
8th	N/A	ACT/PreACT/Aspire Practice Test
9th	N/A	ACT/PreACT/Aspire Practice Test
10th	ACT/PreACT/Aspire Practice Test	ACT/PreACT/Aspire Practice Test or PSAT Test
11th	ACT Practice Test	ACT Practice Test, then ACT Test
12th	ACT Practice Test, then ACT Test	N/A

For most students, two practice tests per year is the maximum we recommend. Students will get more practice through partial tests, mini-tests, test prep lessons, etc., but trying to squeeze in more than two full-length practice tests school-wide can get disruptive.

Although it's not made by ACT, the PSAT is aligned to the ACT, both in terms of duration and content, so for our purposes here, you can count that as a full-length test if you administer it in 10th grade.
